State House, Concord, N. H., March 1, 1945.

Chairman Charles Hopkins called a meeting of the Belknap County delegation to order at 11:10 a. m. in the gallery of the House of Representatives. Shattuck of Alton was the only member absent at roll call.

The Chairman of the sub-committee appointed to report on the Belknap Area, Rep. F. A. Normandin, was asked to report. He spoke of the public hearing held last Friday and of the lack of understanding shown by many taking part in the discussion of the evening. He explained that the Area had cost a total of \$855,000.00 with the County's share as \$244,000.00. In a project of this size he felt that the sub-committee were not ready to make a fair report at this time. They consider that the Area should be inspected when the snow is on the ground and again when it is off. He spoke of a qualified man whom the committee might secure to give them expert advice in their study and asked that his committee be given more time.

On motion of Mr. Tilton, seconded by Mr. Philbrick, it was voted that the sub-committee be given more time to study before reporting to the delegation.

Chairman Hopkins announced that the delegation would hold a meeting at the County Home at noon on March 9.

Mr. Bucklin suggested that future meetings be held where all could hear better. Meeting adjourned at 11:20.

Mr. Lord, Chairman of the Budget Committee called a meeting of his committee to order at 9:45 a. m. in Section 5. Those present were Chairman Lord, Mr. Tilton, Mr. Neal, Mr. Rogers and Mrs. Arwood, clerk of the delegation.

Mr. Rogers spoke of his wish to add an article to the Budget calling for a Capital Reserve Fund of \$3,000.00 for future use at the Recreation Area. Mr. Tilton objected to a fund being used for this purpose alone as he felt that more money would be needed for relief in the future.

Chairman Lord was empowered to see if articles combining these two purposes could be drawn up to present to the delegation for their consideration at the meeting at the County Home tomorrow.

Meeting adjourned at 10:05 a. m.

Belknap County Home, Laconia, March 9, 1946.

The Belknap County delegation met at the County Home at noon where they were served a bountiful dinner by Superintendent and Mrs. Leon Flanders. The County Commissioners, Oliver M. Colby, Joseph F. Smith and Jason E.

Sanborn, were present; also County Solicitor Robert Johnson. Other guests were Senator Lewis Wilkinson and Rep. Harold Hart of Wolfeboro, Chairman of Carroll County délegation and Secretary of the Lakes Region Association.

Roll call found Shattuck of Alton, Nichols of Center Harbor and Normandin of Laconia absent. Rep. Normandin resigned from the House yesterday to become eligible for war service. Due to his absence, Chairman Hopkins reported that no report from the Area sub-committee could be given.

Chairman Hopkins called upon Rep. Hart who spoke briefly of the benefit derived from the Area by the towns in the County as well as the Lakes Region. He expressed the opinion that the Area should be run for at least four years following the end of the present transportation shortage to give it a fair trial and it should be in charge of an active manager. He pledged the support of the Lakes Region Association in the field of publicity. He asked the delegation to consider a direct appropriation to the Lakes Region. He discussed House Bill No. 145 and thought that it might be amended to include counties. Chairman Hopkins stated that he had been informed that the bill could not be amended but would secure the opinion of the Attorney General.

Rep. Stafford moved that the bill prepared by Attys. Tilton and Nighswander, relative to the Area, be submitted to the Legislature and referred to the delegation. Objection to the motion was recorded by Rep. Cotton. Rep. Varney called attention to the fact that the sub-committee had been granted an extension of time for their investigation and their report had not been received yet.

After further similar remarks from Reps. Guay and Tilton, Rep. Stafford withdrew his motion. The delegation agreed to await the report of sub-committee before considering further action.

Commissioner Smith spoke regarding the sale of sawable timber on the home place at public auction, the buyer to be given one year to clear the land which is needed for pasture. He explained that the Meredith pasture is now unfit for

feed land and contained little usable lumber. He recommended that it be sold to a party who wishes to buy to protect their shore property. Discussion followed by Messrs. Sanborn, Philbrick, Neal, and French. It was moved by Rep. Guay and seconded by Rep Philbrick, that the delegation empower the Commissioners to sell the timber on the home place at competitive bidding and to sell the Meredith pasture. The vote was unanimously in the affirmative. Commissioner Colby announced that the figures requested by the Budget committee relative to amount of necessary work at the Area, were at hand.

Mr. Lord, Chairman of the Budget committee, asked Chairman Hopkins to take charge of the discussion of the budget. Rep. Cotton suggested that the delegation go into executive session, whereupon Mr. Lord requested that the article concerning a "Capital Reserve Fund" be taken under consideration while Solicitor Johnson was present to explain it. Atty. Johnson discussed the proposed article thoroughly, answering the questions of Messrs. Tilton, Rogers, Cotton, and Neal.

Commissioner Smith added to his previous remarks concerning the Meredith pasture and asked for authority to use the money received from the sale of timber to improve the home pasture.

Rep. Hart and Senator Wilkinson thanked the delegation for the invitation to attend.

The delegation went into executive session to consider the budget. All items as far as "Capital Reserve Fund" were accepted upon motion of Rep. Tilton, seconded by Rep. Rogers. Rep. Rogers moved that \$3,000.00 be raised for a Capital Reserve Fund for future use at the Recreation Area and that \$3,000.00 of the unexpended balance, as of December 31, 1944, be added to this reserve fund. The motion was not seconded and a lengthy discussion ensued in which every representative participated. It was decided to call the Commissioners in for further information.

While waiting for the Commissioners, the delegation voted unanimously to raise \$300.00 for the Lakes Region Ass'n. and \$5,400.00 for the Farm Bureau.

Commissioner Colby gave an estimate that \$3,185.00 could be spent for necessary improvement this year at the Area, if help could be secured. He stated that the Commissioners were well aware of the possibilities of the Area and affirmed that they had kept it in as good condition as the man-power shortage allowed. He maintained that they have tried to keep it in shape for the "average skier" and have kept fares at a minimum so that more could enjoy the benefits of recreation there. The Commissioners have found a man they could hire as manager, if the delegation so desires. Questioned by Rep. Stafford, "Do you think a manager is needed?" Comm. Colby replied, "No, not now, but certainly later." He mentioned that responsible persons had offered to lease the Area.

The Commissioners retired and consideration of the budget resumed.

Rep. Cotton moved, seconded by Rep. Tilton, that \$3,200.00 be raised for the Area this year. This motion was amended by Rep. Guay and accepted, that the sum be made \$4,000.00 for this year. This motion prevailed.

Rep. Rogers moved, seconded by Rep. Lord, that a Capital Reserve Fund of \$3,000.00 be raised. Discussion ensued. Rep. Rogers asked for a Yes and No vote. The clerk called the roll and the following voted "Yes": Philbrick, Lord, Varney, Stafford, Guay, Doyle, Shannon, Bucklin, French, Ewing, Hopkins, Horne, Neal, Matthews, Atwood and Rogers.

Those voting "No" were: Cotton and Tilton. Rep. Rogers' motion prevailed.

On motion of Rep. Stafford, seconded by Rep. Doyle, it was voted to approve the item of \$500.00 for delegation expenses.

On motion of Rep. Tilton, seconded by Rep. Doyle, it was voted to approve the 1945 budget as a whole, to the amount of \$125,036.91. On motion of Rep. Matthews, seconded by Rep. Doyle, it was voted to approve a tentative budget of the same amount for 1946.

Rep. Stafford announced that contributions had been received for Mr. Normandin's gift and that a \$25 War Bond would be presented to him with any remainder given as war stamps. Mr. Stafford accepted Mrs. Atwood's suggestion that, should there be any extra money, a personal gift be given our former colleague.

Chairman Hopkins appointed Rep. Matthews to take Mr. Normandin's place upon the Area sub-committee.

It was voted unanimously to thank Superintendent and Mrs. Flanders for their gracious hospitality.

On motion of Rep. Stafford, seconded by Rep. Bucklin, it was voted to adjourn at 4 p. m.

Following the meeting, several representatives inspected the buildings.

Chairman Charles Hopkins called to order a meeting of the County Delegation in the Recreation Room at 11:20 a. m. Roll call found all members present as well as our former member, F. A. Normandin.

Mr. Rogers inquired if the bill creating a Director of Recreation would affect the status of our Area and Chairman Hopkins said it would not.

Mr. Hopkins called on Mr. Normandin, formerly Chairman of the Area sub-committee and he gave a partial report of the committee's activities.

Mr. Hopkins called on Mr. Guay who presented Mr. Normandin with a War Bond from the Delegation in recognition of his long and efficient service as a member of that body.

Mr. Normandin confessed he knew now what it meant to be without words to express one's thoughts and thanked the Delegation in a few heartfelt words.

Mr. Philbrick presented a petition which he wished the members to sign asking the Highway Department to consider five different post war projects in the Belknap County area. These roads would be a memorial to World War II service men and women. On motion of Mr. Lord, seconded by Mr. Stafford, it was voted to accept his report and sign the petition.

Mr. Matthews presented the report of Area Sub-Committee (copy attached).

### **REPORT OF THE SUB-COMMITTEE OF THE BELKNAP COUNTY DELEGATION ON THE BELKNAP MOUNTAINS RECREATION AREA**

After going thoroughly over the Recreation Area and its equipment the committee has come to the following conclusion:

For the duration of the war it would be wise to maintain and operate the area under the supervision of the County Commissioners. We recommend the appointment by the county delegation of a permanent sub-committee who would keep in touch with the Commissioners and receive such reports of progress and financial statements as are necessary from time to time.

The chair-tow should be in operation this summer and the fireplaces should be in use.

The recreation building, surely one of the finest of its kind, is in good condition.

The committee recommends that the following repairs be made as the Commissioners feel advisable under war time conditions, except that all work on cutting brush, repairing fireplaces and bridges be started immediately:

1. Brush in the parking spaces cut.
2. All foot bridges and rails put into condition.
3. Spring cleaned and new foot bridge installed.
4. Fireplaces put into good useable condition by necessary minor repairs.
5. The dam which suffered from the spring wash-out should be repaired; that cost should be approximately \$500.00.
6. The main comfort station has 30 stalls from which seven closet bowls and seats are missing; these should be replaced.
7. The roof of this comfort station should have minor repairs.
8. The Try-me trail, Fletcher Hale and Viking should be cleared of brush and Viking should be lengthened. Phelps trail is in good condition.
9. Roads need some minor repairs and the parking area in front of Phelps should eventually be improved.

It was the conclusion of the committee that Belknap Mountains Recreation Area is not only a fine investment but a splendid park of which the county and the state should be proud. It should be kept in condition for year round use and plans should be made to maintain it after the war, perhaps under a salaried manager, at its full capacity as a commercial and recreational asset. It merits full and regular publicity.

The committee wishes to express to the Commissioner appreciation for the courtesy and cooperation which made its work possible and to commend them for maintaining the area under very difficult conditions.

Respectfully submitted,

ARCHIBALD H. MATTHEWS,  
WALTER G. STAFFORD,  
ARTHUR H. LORD,  
ALFRED L. GUAY,  
GUY U. HORNE.

They made a complete inspection of the Home building and found that Superintendent and Mrs. Flanders were making good use of the existing inadequate facilities.

## COMMISSIONERS' REPORT

---

To The Citizens of Belknap County

In compliance with the laws of the State of New Hampshire, the Commissioners of Belknap County present the annual report of the County Commissioners, Treasurer, Superintendent of Home and House of Correction, Clerk of Superior Court, Sheriff, Solicitor, Chaplain, and Auditors for the year ending December 31, 1945.

Your Commissioners commend Rev. Frederick W. Fitzpatrick for his efforts and spiritual comfort given to all at the County Home. The people at the Home were in many respects more fortunate than any outside the armed forces during the war, because their subsistence was largely outside the rationing program; beef and pork being home grown and killed; and fuel and clothing well up on the priority list.

The County Delegation approved the recommendation of the commissioners for the sale at auction of the Meredith pasture and of the timber on the Home farm. The timber on the home farm is now being cut by the purchaser and the house of correction and county crews are clearing and burning brush for next summer pasturing.

Mr. and Mrs. Flanders deserve full credit for their labors in behalf of those in their care and their unfailing good nature and thoughtfulness under most trying conditions.

Relief expenditures for 1938 were \$121,684.38. The appropriation for the entire County budget for 1945 was \$133,167.50.

Before 1945 no county had a legal right to operate a park or playground except as a relief measure, this was corrected by your 1945 county delegation headed by Charles O. Hopkins.

A cash offer of \$100,000.00 for the Recreation Area by Earle Chandler caused lengthy discussion in print and in private, with the final decision by the delegation that the Area should not be sold for that sum; and directions to your commissioners to operate the Area as seemed best.

This has been done with the very able counsel of the Area committee led by Archibald Mathews of New Hampton. After V-J Day your commissioners selected from several applicants, John Proctor of Laconia, who at the present time has full charge of all activities under the supervision of the Commissioners, excepting the ski shop and school for which contracts for this winter had been let.

In spite of poor snow conditions early in the season the attendance bids fair to be the largest since the Area was started eight years ago.

Your Commissioners again ask your support in obtaining new dormitories for the inmates of the County Home when building conditions are more favorable.

Respectfully submitted,

OLIVER M. COLBY,

JOSEPH F. SMITH,

JASON E. SANBORN,

*County Commissioners.*

## REPORT OF SUPERINTENDENT

---

To the Commissioners of Belknap County:

Gentlemen: We hereby submit our report of the year ending December 31, 1945, for Belknap County Home, House of Correction and Jail.

Again may we extend our thanks to the commissioners and all who have assisted in any way in maintaining the comfort and welfare of the Home.

This year the interior of the jail has been painted with the labor of the men confined there and new mattresses have been supplied. During the summer as many residents as were able, enjoyed a day's outing and picnic lunch on the "Foxy".

We presume, that owing to the present controversy over a new location or the construction of a fireproof institution, further improvements and repairs would not be in the interests of economy. In the meantime, the struggle for sanitary conditions must go on under the handicaps the present institution presents.

We wish all who have helped in maintaining the spiritual welfare to know that we are appreciative of their efforts.

Respectfully submitted,

BEATRICE M. FLANDERS, Matron

LEON W. FLANDERS, Supt.

## CHAPLAIN'S REPORT

---

Belmont, N. H.

February 20, 1946

Belknap County Commissioners

Court House

Laconia, N. H.

Gentlemen:

In submitting my fourteenth annual report as Chaplain at the Belknap County Home I wish to express my sincere appreciation for your cooperation for the work which I have endeavored to do for those at our Belknap County Home. I wish to thank Commissioner Jason Sanborn for so kindly assisting in our Sunday services this past year and also Mrs. Sanborn and Mr. and Mrs. J. Elmer Boynton for their assistance in the services. Superintendent and Mrs. Flanders have been most thoughtful in helping further my work as your Chaplain, their unfailing courtesy has made it a real pleasure to carry on the work among the different groups at the home, in the Jail and in the House of Correction and I sincerely trust that much good has been accomplished.

During the past year there have been a number of deaths and the usual amount of sickness and it brings a sense of real sorrow to part with these men and women with whom I have worked so many years. I wish it might be possible for a larger number of people of Belknap County to know the fine care which is given to those in our Home and I am sure if this could be done that the stigma which is so often found in the minds of those who are either taken to the Home or those who may have friends there would be removed.

I wish to express my sincere thanks to the several outside groups who have come to the Home during the year and provided programs and given gifts to the inmates. At this time I wish to again thank all you who have assisted in anyway the work at the Home, especially you Commissioners and Mr. and Mrs. Flanders and their assistants.

Trusting that the blessing of God may rest upon all who are planning for the future development of our Home and that the coming year may be most successful in every way, I am,

Sincerely,

FREDERIC W. FITZPATRIC, Chaplain
